

MIKE'S KITCHEN

IT'S FAMILY TIME

EST. 1972

Our Story

The First Mike's Kitchen was the brainchild of its founder Mike Illion and opened in Greenside on the 17th September 1972. The original interior was designed around a kitchen theme consisting of a distinctive black, white and red check colour scheme.

The salad bar was a price-driven innovation which was to become a Mike's Kitchen trademark. Besides being the first steakhouse to serve spareribs, basted with a secret marinade, Mike's also had a distinctive look and promised wholesome, hearty food at affordable prices for the whole family.

The Mike's Kitchen Brand is currently owned by Laudian Investment Holdings Food Franchising, trading as Mike's Kitchen Franchising (Pty) Ltd. The focus is to invest in the revival and renewal of the brand in order to restore this proudly South-African family restaurant.

Our goal is for this much-loved South-African brand to live up to it's logo - It's Family Time!
